

# **Three County CoC seeking new Lead agency – RFI due by Nov. 30**

Hilltown Community Development Corporation has acted as the Collaborative Applicant for the Three County CoC serving Berkshire, Franklin and Hampshire Counties for the last 6 years. Due to a number of factors, Hilltown will discontinue its role as the CoC's Collaborative Applicant as of June 30, 2019.

This [Request for Information](#) (RFI) seeks to gather information and qualifications of any party or entity interested in taking over the role of the Three County CoC, with planning and coordination for said transition beginning in mid-January 2019. We ask for responses to the RFI to be submitted by the end of November.

In addition, our **Annual Meeting on Dec 5<sup>th</sup> at 10am at the Hilltown CDC** offices will serve as a forum for provider and community input on the transition process.

Please feel free to circulate both the RFI and the meeting notice to those working to end homelessness in our region.

Please email your Responses or any questions to Kate Bavelock at [kateb@hilltowncdc.org](mailto:kateb@hilltowncdc.org).
