

# **New data resource for Pioneer Valley; New England Fathering Conference – 3/13-15**

## **New Pioneer Valley Data Website Available**

On Thursday, the Community Foundation of Western MA joined the Pioneer Valley Planning Commission to celebrate the launch of the new [Pioneer Valley Data website](#). Now local governments, businesses and nonprofits can quickly get answers to question such as “What’s the poverty rate in West Springfield?”

The website is a project of the CFWM, MassMutual Foundation, Irene E. & George A. Davis Foundation, Beveridge Family Foundation, Regional Employment Board of Hampden County, Economic Development Council of Western Massachusetts, Public Health Institute of Western Massachusetts and Franklin County Council of Governments. [Read more coverage here](#).
