

Career Services Resources Fair a big success!

Congratulations and thanks to the 18 resource providers and over 40 provider participants who joined together on Friday, February 15 to share and learn about resources to help create stable housing through stable employment.

Click [here](#) for the hand-out summarizing resources shared at the Fair and contact information.

Special thanks to Representative Aaron Vega of Holyoke for being there and his steadfast support of our Network's mission.

And thanks to MassHire Holyoke for their generous hosting of this event.

We look forward to sharing in this opportunity again as part of our larger annual **Homelessness Resources Fair that will take place on Monday, June 10, 9:30 am – 12:30 pm, Holyoke Community College** (more to come but please feel free to save the date now!).[c](#)
