

Opioid crisis in small and rural communities forum – April 11

The Massachusetts Health Policy Forum invites you to save the date:

Join us on Thursday, April 11, 2019 at the UMass Amherst Campus Center for a forum entitled, “Addressing the Opioid Crisis in Small and Rural Communities in Western Massachusetts.”

This forum will focus on the numerous ways in which the opioid crisis has impacted Western Massachusetts, with particular attention paid to the social and economic consequences on employers and small and rural communities. Unique challenges and innovative solutions will be highlighted. A detailed agenda and email invitation will be distributed shortly.

Date: Thursday, April 11, 2019

Time: 8:30 a.m. – 12:00 p.m.

Location: Amherst Room (10th Floor), Campus Center, 1 Campus Center Way, Amherst, MA 01003
