

Support Regional Public Transit: Comments due 3/29

A better public transit system is key to ending homelessness. The Regional Transit Authority Task Force issued a draft report that recommends greater investment in public transit. Weigh in with your support!

Thanks to the Public Health Institute of Western MA for their advocacy alert below:

Email your state representatives

[Contact your State Representative](#) to let them know you support responsible Regional Transit Authority (RTA) Funding. [This link](#) will redirect you to a MASSPIRG page to send an email to your state representative.

Read and comment on the draft report

Read the Draft RTA Task Force Report, [A Vision For the Future of Massachusetts' Regional Transit Authorities](#), and submit comments by March 29 at 5 pm.

[This page](#) links to the report with commenting instructions.

Get your organization involved

If your organization wants to participate in advocacy for RTA riders, please contact [Angela Johnson](#) at T4MA or [Andrea Freeman](#) at the Massachusetts Public Health Association.
