

## Veto Override Advocacy Alerts for Today!

The Legislature's overrides of the Governor's vetoes must originate in the House of Representatives with two-thirds of the body voting in support. Then the Senate must follow with a two-thirds vote as well. Now is the time to contact your Representative to urge him/her to support overrides of our Network priorities impacting homelessness (go [here](#) to find your legislator).

Please urge your representative to override the Governor's vetoes to:

The Network (\$125,000 veto)

Berkshire Regional Housing Authority (\$150,000 veto)

Unaccompanied Homeless Youth Housing and Services (\$675,000 veto, thereby eliminating the program)

RAFT (\$2 million veto, eliminating expanded eligibility to the elderly, persons with disabilities and unaccompanied homeless youth)

Housing Consumer Education Centers (HCECs) (\$180,000 veto from the line-item eliminating earmarks and more from Foreclosure Prevention Counseling line-item veto of \$800,000)

Tenancy Preservation Project (\$125,000 veto)

Home and Healthy for Good: \$40,000 veto
